

Connect - Empower - Achieve

Mission: H-RoC works through civil discourse to elect women to non-partisan office

History: H-RoC was formed in mid-2011 as an independent, non-partisan political action committee specifically to advance women leaders in Southwest Washington. H-RoC offers mentoring and support to our women elected officials, helps women find their voice in politics and facilitates dialogue among women of our community about how to model collaboration and civil discourse.
